## 2011 – VII<sup>th</sup> International Rugby Old Tournament “Città di Villorba” II<sup>nd</sup> “Prosecco Cup”

The veteran’s Rugby Club “**Quei de Viorba**” (“The Ones from Villorba”) has his location in Villorba, just few miles far from the Treviso’s inner city, in the north suburbs.

The vet’s team is composed by rugby players coming out mainly from the local rugby club “A. S. Rugby Villorba” currently involved in the “Serie B” Championship, the third level of rugby categories here in Italy. This club counts also several junior teams and partnerships with other clubs in the neighborhood, where rugby is well diffused.

Thanks to the several vet’s clubs existing in the area, (Treviso, Rovigo, Padova, Mirano, Verona, Vicenza... just for example) a great number of tournaments are organized during the season. The involvement in these events of foreign clubs is usual and appreciated.

For the current season **2010/11** in Villorba will be organized two tournaments.

The first in **April, 9<sup>th</sup>** and the second in **May, 14<sup>th</sup>**.

The availability of two rugby pitches other than the main one and a brand new club-house able to welcome more than one hundred people allow a funny and ideal outcome of the meeting.

At the moment the vet’s club is involved in contacting foreign clubs to invite them.

Eventually different dates could be taken into consideration to organize single match with guest clubs.

Trip facilities: the nearest airport (Treviso Airport, 20 minutes far from Villorba) is well served by Ryanair flight company; as an alternative there is also the bigger Venice’s one distant only 40 kms. Easy accommodation may be found in the Treviso’s hotels. If necessary the vet’s club can arrange to book hotels and private coaches in advance.

During the free time in the days of stay, a promenade across the lovely squares, a drink in the characteristic pubs in the Treviso’s inner city and a visit to the Benetton Treviso Rugby Headquarter (one of the main rugby expressions in Italy) are recommended.

There is also a good train service connecting Treviso to Venice in half an hour.

These are only the first impression we give you...we are at your disposal for further details or explanations.

So, please do not hesitate to contact us.

See you soon in Villorba, we hope!
